FAITH

A Simple Bible Study & Reflection Guide

Key Scripture

> *"Now faith is confidence in what we hope for and assurance about what we do not see." - Hebrews 11:1*

What Is Faith?

Faith is trusting God even when we cannot see the full picture. It is choosing to rely on His character, His promises, and His guidance in every season of life. Faith does not mean that we never have questions or difficult moments; it means that we continue to walk with God through them.

Growing in Faith

1. Know God through His Word. Regular Bible reading helps us understand who God is and reminds us of His promises.

2. Pray with honesty. Bring your hopes, fears, decisions, and needs to God. Prayer strengthens our dependence on Him.

3. Obey one step at a time. Faith becomes practical when we act on what God teaches us, even before we know every detail of the outcome.

4. Remember God's faithfulness. Looking back at answered prayers and past provision can give us courage for what lies ahead.

Reflection Questions

1. What situation in my life currently requires greater faith?

2. What promise or truth from Scripture can I hold onto this week?

3. Is fear preventing me from taking a step I believe God is asking me to take?

4. How have I seen God remain faithful in the past?

5. What practical action can I take this week to strengthen my trust in God?

Faith in Action - This Week

Day	Simple Faith Practice
Monday	Read Hebrews 11 and note one example of faith.
Tuesday	Pray specifically about one area of uncertainty.
Wednesday	Encourage someone who may be struggling.
Thursday	Write down three ways God has been faithful to you.
Friday	Take one practical step of obedience.
Weekend	Share what you learned with a friend or small group.

Closing Prayer

Lord, strengthen my faith in You. Help me trust You when the way ahead is clear and when it is uncertain. Remind me of Your faithfulness, give me courage to obey Your Word, and teach me to walk each day with confidence in Your presence. Amen.
